

3 Courses

Introduction to Quality Improvement in Healthcare

Using Data for Healthcare Improvement

Quality Improvement for Population Health

Imperial College London

Aug 9, 2024

Aysha Nazheen

has successfully completed the online, non-credit Specialization

Quality Improvement in Healthcare

Health systems worldwide seek to prevent and treat disease and illness and improve well-being and quality of life. This specialisation focuses on improving the quality of the services provided by these systems.

Dr Thomas Woodcock
Senior Research Fellow
School of Public Health

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
